

Lost Worlds Party Schedule

- Arrival: Please arrive no more than 10-15 minutes before your scheduled party time.
- If your host and room are available you will be able to get into your party room early, but if not, you will get into your party room at the time your party is scheduled to start.
- Once your Party Host checks in with you, they will get your Credit Card and ID from you. ***It must be a Microchip Credit Card.***
- ***We will charge you the full balance due of the bill, including the 18% service fee. We will hold your ID and a microchip credit card for the duration of the party for any additional charges.***
- ***Your ID and card will be held until all party bills have been paid.***
- Your host will also go over your food order with you and get that to the kitchen.
- 30 Minutes into your party the food and drinks will come out and your host will make an announcement to bring all the kids back into the party room. Your host will then serve your guests food and drinks.
- After everyone has finished eating (15-20 minutes after food comes out) your Party Host will start setting up the party room for cake, Cake will be immediately following the food.
- Your host will keep all the kids in the room and we will sing happy birthday and then cut and serve cake to the guests.
- The cake has been cut and served, the kids will continue to play and your host will start working on your bill. At this time, you will also start moving out of the party room and into a table in the common area with all of your belongings.
- Remaining food and drinks will be boxed up and taken to your common area table.
- Once your party is cashed out for any additional items, you will not be able to add anything else on to your bill and any additional purchases can be made at the front register.
